Accommodation at Blue Mountain Lodge

Victorian Suites are delicately set at the foot of the main building. A sparkling fountain ushers its guests to a haven of relaxation. There are eight Victorian Suites that have been individually decorated, all housing king-sized beds. All suites boast an en-suite Victorian-styled bathroom where thick comfortable robes await guests after a long hot bath. Join us for a sundowner whilst you relax on our colonial veranda. After which we will seduce your taste buds with award winning cuisine.
